

**Questions for the Honoring of our Members with 40 and 50 years of service to  
Maine State Organization, Delta Kappa Gamma Society International**

1. What did you teach and where?
2. Who recommended you for Chapter membership?
3. When were you initiated?
4. What were you part of during your early years in your Chapter? Did you serve on any committees?
5. What are some of your most significant memories from your active days in your Chapter?
6. Who are some of the most memorable women from your days in your Chapter or from teaching?
7. When did you retire from teaching? After how many years of teaching?
8. When and what degrees did you earn?
9. What kinds of activities do you enjoy now?
10. If you could send your sisters a bit of advice for teaching now, what would it be? 11) Any other thoughts?

**If she is willing and you are able to gather a photograph, that would be great. Digital photos that can be emailed in jpg or gif format work the best but I could take a mailed picture.** If you as the interviewer have thoughts to add that can be incorporated in the ceremony please share them along with her thoughts. If the honoree is unable to answer questions, please brainstorm among other members to try to answer as many questions as possible!
