

September, 2020

The following is the report of the Scholarship Committee.

The First Timer to International \$500.00 Scholarship was going to be given out to Bonnie Maguire who agreed to be at the luncheon at our Spring Convention to accept this scholarship and was going give a short talk about her experiences at the General Assembly at Fall Workshop. Because of Covid19, International canceled and so did our Maine State Organization of DKG. Therefore this scholarship was not given for 2020.

We received no applications by the March 1st deadline for the State Scholarship for members pursuing graduate studies. It was decided and voted on by the Executive Board to extend the due date for applications to September 15. The scholarship will be given this fall at our vitural event.

Respectfully submitted,

Brenda Sturdivant
Scholarship Committee Chairperson
